- English(Intermediate)

PROFILE

I am a fresh graduate with a Bachelor's degree in Computer Engineering. I have basic knowledge of computer systems, installing Os, programming, web development and problem-solving. I can communicate in general English and I am eager to learn, gain experience, and grow in a professional working environment. I am looking for job opportunities where I can contribute and develop my skills further.

EXPERIENCE

IQURI TECH — 09/07/2024 to 13/09/2025

Internship - Mobile Developer (Flutter/Dart)

- Learned and practiced mobile application development using Flutter and Dart.
- Gained experience in UI design, API integration, and debugging.
- Collaborated with the team to support app development tasks.
